

The University of Texas at San Antonio is the newest program in the TGC. The team made its debut in the spring of 2016 and sent competitors to two of the TGC's competitions. The Roadrunner gymnasts are the first TGC club in Texas' second largest city.

The club practices at an off campus facility in San Antonio and is open to both beginner and experienced gymnasts alike.

Members in the club are required to participate in fundraising and the school provides support for the club as well. The cost of membership is currently \$6 per practice and the team practices on Mondays from 8:30pm to 10:00pm and Wednesdays from 8:00pm to 10:00pm.

The members of the club currently pay \$6 per practice and are required to attend fundraising events. The team fundraises throughout the year and receives additional support from the university.
